CHARLES J. KROGMEIER, DIRECTOR

November 10, 2009

Dear Center Director,

In September, 2009 the Iowa Department of Human Services published proposed rules regarding center licensing fees, record check payments, fingerprinting, and a few other items. Many of you provided valuable feedback regarding these rules. We thank you for the thought and time that you gave to that effort.

At the current time, DHS is delaying implementation of these rules. The trainings scheduled for November 18 & 19 and December 7 & 8 are cancelled. At the current time, a date has not been set for bringing the rules to the Human Services Council. The Department will keep you informed about implementation plans and dates when these are established.

Sincerely,
