

How much income can we have?

Gross income means income before any deductions. *Net* income means gross income after deductions. For October 1, 2011, through September 30, 2012, the monthly income guidelines are:

5	2,836	2,181
6	3,249	2,500
7	3,663	2,818

More people	\$ 414	\$ 319

To be eligible, a household's monthly income must be within the above amounts for its size.

- If everyone gets SSI or FIP, the household does not have to meet the gross or net monthly income guidelines.
- Some households that do not meet the above income guidelines might be eligible if monthly income is not more than the amount below (160% of the federal poverty level).

How do I get Food Assistance?

You will be given an appointment for an interview. You will be asked to give us some things like ID, pay stubs for people in your household who work, and child-support orders.

Will I have to get a social security number?

You can choose to give us the Social Security Number of each person in your household. We can give Food Assistance only to the people who give us their Social Security Number.

You don't have to give us the Social Security Number for the people you do not want Food Assistance for.

Can legal noncitizens get Food Assistance?

Many can get Food Assistance. Even if you can't, your family members born in this country can.

Getting Food Assistance won't stop you if you want to become a citizen.

Can I get help if I'm not working?

If you can work, you must not quit a job unless you have a good reason. If you live in Linn County or Polk County, we may be able to help you search for a job or get training.

If you can't work because of a mental or physical reason, tell your Food Assistance worker.

How many assets can we have?

Most households do not have to meet an asset test. If you do have to meet an asset test, your home and the value of at least one vehicle will not count.

If my household is eligible, how much will we get?

Is Food Assistance cash?

Food Assistance comes through Electronic Benefit Transfer (EBT). You use a plastic EBT swipe card to buy food. Once your eligible food items have been totaled at the cash register, you will pass your EBT card through a point-of-sale (POS) terminal in the check out line. The cost of the food you purchase is subtracted from the amount in your Food Assistance EBT account.
